Organized by	Cultural Club
Coordinated by	Mr. Suraj Shukla, Faculty, MIMT
Participated by	BCA Students (79)
Activity Convener	Dr. Himanshu Rastogi, Faculty, MIMT
Objective	<ul style="list-style-type: none">• The aim of this competition was to ignite imagination and creativity within the students through Rangoli.• To enhance the application, analysis and synthesis skill among them.• To encourage the students to think out of the box and to

	inculcate the idea in the most effective way.
Content	Rangoli is a traditional form that brightens up an occasion and is believed to be harbinger of good luck. Beautiful patterns are created on the floor using coloured rice, flowers, coloured sand or paints. In line with this thought, the talent and creativity of the students was well brought out in the competition. Department of BCA of Mangalmai Institute of Management and Technology organizes various technical activities at regular intervals in association with Programming club. The competition was judged by Dr. Garima Srivastva and Dr. Seema Pundir on the rubrics of Creativity, Neatness & Clarity, Color combination and Relevance with the theme.
Outcome of Activity	Students are able to develop the interpersonal and intrapersonal skills among the students while they will work in groups
