Report of CADER (CAMP) 2021

1st FEB to 5th FEB -2021

N.C.C. is a voluntary organization helping India in nation-building. N.C.C. camps play a vital role in national integration through interaction among different caste, creed and culture. With a view to giving a boost to the youth in the positive direction, NCC has been included in the course curriculum. The NCC has defeated the COVID-19 and we will not stop this here. This was the first camp post COVID-19 lockdown and we are hopeful that it will help clear apprehensions and pave the way for normal NCC activities in the country". The permission for the camp had come from the Union defence ministry and will be followed by another camp after a gap of eight to 10 days, marking the resumption of normal NCC activities in the country. The NCC unit of Ghaziabad is attached with 31 UP Girls Battalion, NCC, Ghaziabad. The unit consists of two platoons of 100 cadets. This year 31 UP Girls Battalion (girls) organized Combined Annual Training Camps (CADER) at Aster Public School Greater Noida. 300 cadets attended CATC camp. During CATC camp the cadets participated in different activities like weapon training, obstacle, map reading, essay writing, Volleyball competition and Debate competition. Because of Covid-19 Camp was very small scale with all precautionary measures has been taken like social distancing, Mask and Sanitizer. All the cadets bring their own lunch and water bottles. The camp was organised for all from Mangalmy Group of Institution Greater Noida, thirty cadets participated in CADER (Camp-2021). Because of Covid-19 camp was only for five days for B-Certificate it was three days (1 FEB 2021 -3 FEB 2021) and for C-Certificate it was five days (1 FEB 2021 -5 FEB 2021). There were three ANOs, Caretakers and PI Staff from battalion to support the camp under the supervision of CO Col Vinod Sharma with Adam Officer Rizu Rawat Mam. All the cadets completed it successfully with many learnings. Usually drill is the main part which is focussed on during these camps. Other than that some other activities held during these camps are Firing practice, Cultural competition, Obstacles practice, Lectures regarding hygiene and health. We would like all the children to take part in NCC activities in a big way

and dedicate themselves to the prosperity of the country,”This was my first camp as ANO and the experience which I have got over the past five days was wonderful and amazing.
