Report on Webinar on Jal Hi Jeevan Hai

DATE- 5thJUNE 2021

Name of Activity: Webinar on Jal Hi Jeevan hai

Venue: VIRTUAL

Participated by: NCC CADETS

No of participants: 22

Activity Description

World Environment Day is celebrated on 5th June and is the United Nations' principal vehicle for encouraging awareness and action for the protection of the environment.

College has organised a webinar on waterbodies Rejuvenation on this day to make awareness about the water conservation and various project of Government based on water bodies .Dr.Varsha Bhargava was the speaker of webinar .She is a social worker and academician and winner of young scientist award.

The Government of India has recognized the importance of waterbodies and has already been pushing the rejuvenation agenda through its various policies and programmes including the 2013 National Plan for Conservation of Aquatic Ecosystems (NPCA) and the 2018 Wetland Rules. Water body rejuvenation has also been recognized as one of the main agenda items of JAL SHAKTI, under the water vision of the newly appointed Government in 2019.

She discussed about various waterbodies like river Ganga and projects on namami Ganga and other waterbodies lakes and ponds.She said that the river is already dying and contains effluents and discharge from industries and cities. The agencies must build up a movement to revive water bodies that will rejuvenate the river,”.

Many cadets and people attended the session .
