UNITY AND DISCIPLINE

Name of Activity-Tree Plantation (World Health Day)

Date -8th April 2021

Venue-Mangalmai Campus

No. of participants: 08

The **World Health Day** is a global health awareness day celebrated every year on 7 April, under the sponsorship of the World Health Organization (WHO).

All of us are very well known about the significance of **planting trees and plants**. They are the biggest life saviours for us in the present era. The environmental conditions in which we are living are becoming worse day by day. Earth temperature is rising swiftly. Pollution is spreading everywhere. We don't have pure water to drink, no fresh air to inhale and even no hygienic food to eat. It's just like we are living in a dirty and polluted chamber where there is no quality water, food, and air available. All these issues are becoming viral and taking our lives so quietly.

Today "**Tree Plantation Activity**" has been organised in the Mangalmai Campus on the occasion of "World Health Day". To teach the cadets to grow more plants and keep environment healthy to stay healthy. Plantation done by Chairman Sri Atul Mangal sir, Vice Chairman Er. Ayush Mangal sir, director (MIMT) Dr. Tushar Kanti and NCC Cadets. Plantation drive is coordinated by NCC Officer Lt. (Dr.) Seema Singh Pundir.

All the NCC Cadets participated in the plantation activity very enthusiastically and feel proud to be the part of this programme. The objective of the World health day celebration was to make the cadets aware about our need to stay healthy, do more plantation to keep environment clean and safe. Health is wealth so follow the same in life and make people aware about their health and as a Indian citizen it's a duty of every NCC Cadet to take care of every citizen of India. It's a voluntary services to contribute for Nation.
