Objective	The objective of the program was to inculcate and imbibe the basic human values and professional ethics in students, teachers and staff of the institute and also draw attention towards the problems and challenges being faced by the people at individual, family, society and environmental levels and how to handle these.
Content	With the initiative of IQAC, Mangalmay Institute of Management Technology organised an awareness drive on Professional Ethics & Human Values for the students & Staff of MIMT. An inspiring and knowledgeable session was delivered by Dr.Ashutosh Bajpai wherein students were made acquainted with the ABC of professional life as A stands for regularity and discipline in life, B stands for branding one’s talent for successful life and C stands for cultured life, well behaved, humble and grateful towards Almighty. Also, Dr.Bajpai sensitized the students regarding Universal Human Values and discussed on happiness, welfare, goals and success in life. The need of self-exploration and self-investigation within oneself was considered and the participants were smoothly guided through the processes for these and how to practice them in daily life. The session was concluded by question answer round which was followed by vote of thanks from Dr.Meenakshi from MIMT.
Outcome of Activity	Students and staff understood the concept of Universal Human Values (UHV) & its Impact on human behaviour.They also came to know about the role & impact of professional ethics. Students enthusiastically interacted with the resource person and clarified their doubts.
