Date	23 <sup>rd</sup> February 2021
Venue	Seminar Hall
Name of Expert	Dr. Raj Kumar
Participated by	Faculty & Students (193)
Content	Matribhasha Diwas is observed every year on February 21 to promote linguistic and cultural diversity and multilingualism around the world. To promote language harmony Mangalmai Institute of Management Technology celebrated this day and organized Debate competition. The special thing about this competition was students delivered their points in Hindi language. Students forwarded their points with ease justifying that how much enriched their mother language is. It was such a beautiful scene during the competition that we all witnessed mini INDIA through different language of India.
Objective	To make students aware of the importance of language in cultural heritage. To give respect to our Mother Language and keep it alive through written and oral communication
Outcome of Activity	Students participated very enthusiastically and we all celebrated the different language of India. Students also learnt India's core value of <b><i>Unity In Diversity</i></b> .
