

Event Report

"LEARN PYTHON PROGRAM" Online Course from UDEMY dated Jan 27,2021-Feb 25, 2021

The Department of BCA organized an intellectual and technical event, "LEARN PYTHON PROGRAM" Online Course from UDEMY. It was a one month event to understand why Python is a useful scripting language for developers & to learn how to design and program Python applications.

After completion of the course, there was a certificate distribution ceremony wherein **Mr. Rakesh Roshan** from Udemy, instructor of this course was invited as a Chief Guest. The event was inaugurated by Hon'ble Vice-chairman, **Mr. Ayush Mangal**. His presence was a great motivation for the students and faculties of BCA department. Head of the Department, **Prof. Abhay N. Tripathi** addressed the students and made them aware about the importance of technical courses in our future career aspects.

During the event, all the precautions with respect to COVID-19 were taken into consideration.

Four students of BCA, who worked as volunteers were:

1. Divyam Kanojia – I SEM
2. Anshika Singh – I SEM
3. Jay Vats – I SEM
4. Pallavi Rawat – III SEM

After the event ended, our HOD Prof. Abhay N. Tripathi and faculties of BCA Department appreciated the student's efforts and contribution for the event.

Beneficiaries: 161 (BCA)
