Content	June,19 2021 An Art and Craft Workshop was conducted by the school of Education respectively. The programme was designed with the objectives to teach various forms of performing art and craft so as to develop aesthetic values and appreciate the beauty of nature.
Objective	<p>The main objective of this workshop was to cherish and value the local art form and cultural tradition. Students from courses B.A.Bed I, II Year, B.Ed-I, II year and D.EL.ED had taken part with great passion and vigour to learn skills, gain insights and experiences to help them grow and excel in their lives.</p> <p>Students were taught a wide range of skills- pencil shading, canvas painting, pot making, statue making, stencil cutting, block-printing, making dreamcatchers and a lot many others. They were taught about sustainable environments and how waste can be used to create something useful.</p>
Outcome of Activity	<p>Both the teachers as well as the students took an active part in the workshop. They were filled with curiosity and enthusiasm. They actively responded to the teachers in every activity. The cooperation, discipline and punctuality reflected between the students and mentors made this workshop a great success.</p> <p>Skills ranging from Drawing, Sketching, Stencils and Recycling of wastes, this workshop gave a lifetime experience for students and teachers.</p>
