"Workshop on Paper Craft"

A workshop on paper craft was conducted for the students of Education Department by Dr. Murvi Singh Rathore.

Advantages of this kind of workshop are many as these are interactive and hands-on. The learners can ask questions, then try doing what the trainer has said to see if it works. If they fail, the instructor can help them do it correctly.

Students participated in great numbers with lot of enthusiasm. This was an excellent opportunity for them to learn and as well as display their individual talents. Dr. Shweta Singh helped the students in honing their craft work. Mr. Yogesh Kumar maintained the discipline during the workshop.

Dr. Sachin Kumar and Dr. Murvi Singh Rathore were also present and motivated all the participating students.
