Organised by	Fitness Club, Mangalmai Institute of Management Technology
Name of Expert	Ms. Rajwati, Incharge, Aanganwadi Kendra, Vaidpura
Participated by	15 Students
Activity-Convener	Mr.Suraj Shukla Faculty, MIMT
Objective	The activity was aimed at creating awareness about the importance of immunization and how to safeguard oneself from its devastating effects
Content	<p>One of the most significant medical procedures is vaccination. It has helped prevent millions of individuals throughout history from some of the most severe and deadliest illnesses ever to strike humanity. Indeed, it has become so effective that several once feared illnesses are now extinct or readily treatable. However, several previously unknown illnesses have recently emerged. This emphasizes the need of vaccination.</p> <p>To raise awareness about the need of immunization, the Student Welfare Committee of Mangalmai Institute of Management Technology created a NukkadNatak on Immunization. The students used a fantastic show of emotions to assist people realize how immunization may save lives and money, how timely immunization and intervention can help youngsters avoid certain disabilities, and so on.</p>
