Objectives	<ul style="list-style-type: none">• The main objective of this workshop was to cherish and value the local art form and cultural tradition and various types of teaching aids.• To create interest in students to learn a new technique or medium in Art and enhance their creativity by listening to artists experiences.• To demonstrate understanding of art theory by applying practical methodology to the task.• To explore the prospective start up opportunity in the area of art and craft.
Content	On December 8 th , 2021, “ Exploring the start up opportunity through Workshop on Art and Craft (Create &Explore) ” was conducted by the Training & Placement Committee, MIMT. This workshop was organized with objectives to teach various forms of performing art and craft &teaching aids so as to develop aesthetic values and appreciate the beauty of nature. Students from courses B.A.B.Ed.1 st , 2 nd , and 3 rd year, and B.Ed. 1 st and 2 nd year had taken part with great passion and vigor to learn skills, gain insights and experiences to help them grow and excel in their lives. Resource person emphasized on the startup opportunity available in the market. Both the teachers as well as the students took an active part in the workshop. They were filled with curiosity and enthusiasm. They actively responded to the teachers in every activity. The cooperation, discipline and punctuality reflected between the students and mentors made this workshop a great success.
Outcome of Activity	<ul style="list-style-type: none">• The workshop helped the students to improve Fine Motor Skills, Confidence and Self-Esteem.• Students learnt skills ranging from Drawing, Sketching, Stencils and Recycling of wastes.• This workshop helped them to improve their visual and spatial skills.• Students came to know the start up opportunity available in the market.
