Objectives	To enhance the team building skills in students and to help the students to be productive in the workplace and build strong and positive relationship with their colleagues and complete team projects smoothly and effectively.

Content	<p>A workshop on “Personality Development” was organized by Mangalmai Institute Of Management And Technology Greater Noida. The main objective of the Workshop was to familiarize students with the emerging ideas and trends on how to develop personality in the 21st century contexts. The programme also aimed to teach students to work with various professionals, people and groups to understand the meaning of life and work in the present context; to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self appraisal and introspection) for further growth, personally and professionally.</p> <p>Human personality influences and impacts the functioning of an individual and organizations. The fact that humans are social is determined by individual as well as collective contexts. Understanding one’s own personality and nurturing it well enables one to be a fine human being and an effective professional. Humans need to learn how to cope with the problems and face the hardships while shaping out careers to become professionals and contributing citizens.</p> <p>An activity, “Understanding oneself: personality” was conducted by the resource person. In this session participants interacted themselves in such a way that each participant introduced his/her next person so as to understand one’s personality very briefly. Ms. PravneetKaur delivered his speech on “Living in the 21st Century: twenty first century skills”. She pointed out how do we learn, live &amp; work in this century. Participants were asked to present different skills of 21st century (according to them) in groups of 4 or 5 participants.</p>
---------	---

Outcome of Activity	<p>Students understood that good communication skills, confidence, team building and organising skills make up a complete personality of an individual.</p> <p>Students became sensitized that if they have to compete in the 21<sup>st</sup> century they must possess all the above traits and develop an impactful personality.</p>
