Activity In-charge	Mr. Rajnish Kr. Mishra, Faculty, MIMT
Objectives	<ul style="list-style-type: none">• The aim of this workshop was to enable to develop ICT capability in finding, selecting and using information.• To use ICT for effective and appropriate communication• To monitor and control events both real and imaginary.
Content	<p>Over the last two decades, the rapid growth of ICT has become one of the most important topics discussed by the scholars in education. This is due to the capability of ICT in providing a dynamic and proactive teaching and learning environment. Mangalmay Institute of Management Technology, Greater Noida conducted a workshop on Integration of ICT resources in teaching learning process on 30th November, 2021. The resource person to take the workshop was Ms. Ayushi Mangal Director, Albatross. The session was started with welcome note and the brief introduction of the resource person. Komal Kumari, student of BBA 3rd year hosted the session. Then the expert was invited to take session where Firstly he defined the integration of ICT resource and said that ICT integration is defined as the use of ICT to introduce, reinforce, supplement and extend skills; also he uttered that ICT in education improves engagement and knowledge retention: When ICT is integrated into lessons; students become more engaged in their work. This is because technology provides different opportunities to make it more fun and enjoyable in terms of teaching the same things in different ways.</p>

	<p>Further he explained that the teachers most often use ICTs for 'routine tasks' (record keeping, lesson plan development, information presentation, basic information searches on the Internet). Teachers more knowledgeable in ICTs use utilize computer-assisted instruction less than other teachers who use ICTs, but utilize ICTs more overall. The event was ended with the vote of thanks by Mr. Rajnish Kr. Mishra, Faculty, MIMT.</p>
Outcome of Activity	<p>Students are able to be motivated and given opportunities to develop an active desire for learning and to focus on continuous and life-long development, including “learning to learn”.</p>
