Annual Report 2021-22

Mangalmay Institute of Management Technology is one of the premier Institute with a prime focus on innovation, excellence and nurturing global leaders for a sustainable future. We incorporate knowledge, industry experience, research and international exposure in our curriculum so as to provide comprehensive educational program to the students. The Programs offered at Mangalmay are BBA, B.Com, B.Ed, B.A B.Ed, BCA & B.Sc. Bio-Tech. Institute is affiliated to C.C.S University, Meerut.

Vision

To create a vibrant and responsive institute aimed at attaining outstanding academic levels through inputs of excellence, thereby shaping professionals of tomorrow with the purpose of adding value to society thereby contributing towards nation building.

Mission

1. To inculcate professional skills in our students to be "Krishnas and Arjunas" of the professional Mahabharata.
2. To create a proactive environment, conducive for student's holistic development in both academic and non-academic spheres.
3. To nurture the young minds with strong knowledge, skill, values and dispositions to enable them to excel in the work place and society & to be lifelong learners thereby reflecting a truly global citizen.

Chairman Message

We had a dream to establish an institution which may decode the changing requisites of corporate world, engineering behemoths and research organizations for the fruitful development of current generation, since it is radically different from what was required of Generation X, decades back. "MANGALMAY" as an institution has been diligently working in turning this dream in to robust reality. In order to provide world class education to the future technocrat's business leaders & academicians, The institute constantly endeavors to provide the needful for the goal of par excellence and holistic education. Together, we can make this nascent temple of learning a center of excellence with an incredible saga of excellence and achievement. "MANGALMAY" believes that, the only 'mantra' of making this Institute great is working together (management, faculty, students and civil society) with a unified vision and uncompromising mission.

Let the immortal lines of Robert Frost inspire us:
"The woods are lovely, dark and deep But I have promises to keep and miles to go before I sleep And miles to go before I sleep." We look forward to welcoming you to the Mangalmay world of premier education, career, and talent.

Best Regards,
ATUL MANGAL

Vice Chairman Message:

To meet the challenges of the global and competitive environment, we all as individuals and as institutions have to make a Trans cultural impact. The need of the hour is to prepare men and women as change masters, with a passion for innovation and ability to lead in the challenging environment. The Mangalmay Group was started in 2002 with the intent to impart quality education in the field of Management, Engineering, Bio-technology & Education to equip young people with knowledge and skills, which would enable them to make meaningful contribution to the society. Knowledge workers who can work at the cutting edge of technology, add value to the bottom- line, and provide competitive advantage to an organization. I am very happy that, at Mangalmay, we are working tirelessly to fulfil this mandate and has since grown from strength to strength, claiming its position among top colleges in the Country. Programs at the Institute, with their sustained quality, both in terms of content and delivery, has contributed to our institutes' entry into the top league of Business, Engineering & Education Institutes in India. Institute prepares its students for successful lifetime careers and will continue in its endeavor towards par excellence in future as well. Holistic education through academic excellence, innovative approach & global relevance continue to be the corner stones of our educational philosophy. I am confident that these four will continue to be the determinants of the teaching-learning process.

Best wishes,
Er. Aayush Mangal

Principal Message

The Mangalmay Institute of Management Technology, since its inception, nurtures business leaders, technocrats & academicians with skills and knowledge that are contemporary and meet industry needs on the face of rapid changes taking place at the national & global arena. MIMT strives to create strong foundation through imparting education which contribute to the holistic development of a responsible individual in the society. MIMT's constant endeavor is to provide an excellent learning experience to our students, through our curriculum and pedagogy, which enable them to understand the challenges of execution through innovation, in the global context while being firmly grounded in the social realities. MIMT is constantly developing and evolving to meet anticipated future demands. MIMT's programs, faculty members, and students bring a unique international perspective to forge meaningful partnerships with industry. Whether you are a student beginning your under graduation or an experienced one, you will appreciate the opportunity to study year-round and to choose specialized contents that are relevant to your career goals. Over the years our students have strengthened our unwavering belief in their potential to create a brighter future for themselves and the country.

Principal
Dr.Manoj Kumar Singh

IQAC

Plan of action chalked out by the IQAC

Plan of Action	Achievements/Outcomes
Enrichment of the Curriculum	22 Add on certification courses have been organized under which 1237 certifications were given.
More emphasis on Student centric teaching learning approach	Case study, role play, quiz, projects & group activity, industrial visits etc. have been used as pedagogy.
Sensitizing the students towards socially conscientious attitude	21 such activities have been organized in which 741 students have participated.
Coordination for AQAR	Dissemination of information and collection of data required for AQAR
MoUs & Collaborations	5 MoUs & 01 Collaboration have been signed

Significant contributions made by IQAC

a. Enriching the curriculum with add on courses.
b. Sensitizing the students towards socially conscientious attitude
c. Organizing Workshops & Seminars
d. Holistic development of students through Extracurricular Activities such as Cultural & Sports Events
e. Organizing National Conference, FDP & Professional Development Programs

Since institute is affiliated to CCS University and has to follow the syllabi of affiliating university, the faculty members are advised to go beyond the content of syllabus in the class keeping syllabus the broad framework. Many contemporary developments are also discussed in the class to enrich the curriculum. About 5% of lecture is used for covering the content beyond the syllabus. Besides, IQAC takes different quality initiatives in the form of seminars, workshops, industrial visits & other such initiatives to enhance the quality of teaching learning process. IQAC also promotes for various MoUs and Colaborations. The IQAC led efforts to the successful implementation of add on certification programs on

MS Office
Digital Marketing
Tally ERP 9
Digital Marketing
Big Data Analytics and its Applications
Blockchain and its Appplications
Introduction to Python Programming Language
Introduction to Data Science, Artificial

Intelligence & Machine Learning
Hardware Assembly and Networking
Introduction to Cloud computing
Introduction to IOT
Social Media Analytics
Communicative English & Soft Skills
Fundamental of Computer Application
Communicative Application in English

The institute reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities.

The IQAC improves the teaching-learning process through standard academic practiceswhich include:

Well prepared and documented Program Educational Objectives, Program Outcomes, Course objectives and Course Outcomes in alignment with Institutional vision, mission and affiliating university syllabus.

- Preparation of Academic Calendar
- Course allocation load chart and Timetable preparation
- Preparation of Course file
- Course Delivery

IQAC has made the system where respective HoD monitors the implementation of time table; course covered and the pedagogy used through lesson plan and discusses the same in the departmental meeting for the gaps to be bridged, if required, in the ensuing week. Besides, academic calendar is also discussed for its execution and performance feedback along with rescheduling, wherever required. Class tests, sessional exams, regular assessment & viva-voce in practical classes are conducted to assess the performance of the students. Analysis of end semester result provides the basis for planning the teaching learning strategies and resources for the forthcoming academic session. Feedback of the students', faculty, alumni and employers provide value input for IQAC to plan its future action plan on quality initiatives. Faculty members are provided with ample opportunities to attend FDPs, Workshops, Seminars, Conferences & MOOC courses in order to develop themselves for the betterment of self and that of students.

Best Practice of the Institute

I Best Practice

Title of the Practice:
Developing the students for the Society and Nation through Extension & Outreach Programs

Objectives of the Practice:
- To sensitize students to identify and address social issues.
- To sensitize the community to social issues and solutions thereof.
- To develop character, discipline, comradeship, secular outlook, ideals of selfless services and adventure spirits amongst large numbers of young citizens.
- To create a pool of trained, organized and motivated youth with various leadership qualities in every walk of their life and serve the Nation irrespective of career they choose.

The Context:
Poor access to health care and hygiene facilities, education and/or livelihood opportunities lead to disparity and result in an underprivileged/vulnerable section of the society. Students may act as a change agent where they can be developed for the betterment of the society. Therefore, it was decided to provide more and more opportunity to students through Extension & Outreach Programs who in turn will further make other people aware and sensitize them for the nation duty.

The Practice:
MIMT organizes a number of extension activities in the institute-neighborhood community to sensitize the students towards community needs. The students actively participate in such activities leading to their overall development. Student Welfare Committee, Fitness Club, UHV Cell and Internal Complaint Committee undertake various activities like:
- Rally on World -No Tobacoo Day
- Tree Plantation
- A day with star kids of Desire Society (Orphanage Visit)
- Mask distribution
- World Environment Day (Awareness by quiz and Tree Plantation)
- Awareness on Health and Hygiene- Sanitary Pad distribution
- Clothes Donation drive "Samvedna"
- Exploring the World of Folk Art and Crafts
- Awareness towards Indian culture & heritage
- Mask Distribution Drive and Awareness Camp
- Exploring the human labor: A Textile Industry Visit
- Scouts and Guide Camp
- Blood Donation Camp

- Awareness Campaign on the role of balanced diet for pregnant and lactating women
- Nukkad Natak on "Awareness on the importance of Immunization"
- Donation Drive: Woolen Cloths and Blanket distribution
- Food for life Program: Food Distribution service
- Workshop on "Self Defense"
- Awareness Campaign: Mask and Sanitizer distribution activity
- Nukkad Natak (National Education Day)
- Cleanliness Drive

Evidence of Success:
All these mentioned activities have positive impact on the students and it developed student community relationship, leadership skill and self-confidence of students. It also helped in cultivating hidden personality of students and created awareness among students towards societal issues and solutions thereof. Besides, institute has been awarded 09 participation/recognition certificates.

Problems Encountered and Resources Required:
Dropout of the students is major problem because of hard training and time boundation and sometimes girls students' parents also didn't allow them to attend the program.

II Best Practice

Title of the Practice:
Scholarships to needy, meritorious and extraordinary students based on merit and eligibility

Objectives of the Practice:
The main objective of the scholarship scheme is to ensure equal opportunity for access to quality education to students without any discrimination. It includes an attempt to ensure that all the eligible students get benefit of Government schemes. But for those who are not eligible for Government scholarship schemes, institutional scholarship in the form of financial assistance is provided to the needy, meritorious and extraordinary students so that they are not deprived of education due to want of resources. Further, institute also puts efforts to increase GER of girl students in Higher Education.

The Context:
At times, the students are unaware about the various scholarships and freeships available from the Government. Besides, the economically weaker students, the aspiring meritorious students and girl students who are not benefitted from Government scholarship schemes face hardship in paying their fees.

In order to ensure equity on campus where all students have same opportunity and resources to participate in key learning activities, special efforts are required in empowering students from the marginalized sections of the society. Challenges required to be addressed before implementation of the policy were:

1. Determination of categorization of institutional scholarship schemes.
2. Determination of criteria for selection of needy and deserving students.
3. Funds to disburse scholarships.

After getting inputs from various committees, finally it was resolved in BoG meeting that institutional scholarship schemes be categorized with specific criteria/parameters so as to execute the policy. The selected categories fixed for Students for Scholarships were:
Category A: Merit Based Scholarship
Category B: Additional Scholarships For Promoting Girls Education
Category C: Scholarship For Wards Of Defense Personnel
Category D: Economically Weaker Section Scholarship
Category E: Aashirwad Scholarship For each of the category, the specific criteria/parameters were developed. Further the institutional scholarship is funded by the management.

The Practice
Institute makes conscientious efforts to create awareness about the various scholarships and freeships available from the Government to all the eligible students. All other students who apply for institutional scholarship are given financial help on the basis of parameters developed and mentioned in the policy. The committee is constituted to scrutinize the details and finally notifies the list of eligible students to get the benefit of scholarship. The following categories of students are considered: Meritorious students, Girl students, Wards of Defence Personnel, Students from Economically Weaker Section. Scholarship namely Aashirwad Scholarship is also given to the meritorious students in the in the remembrance of Father of Trustee of Institute Shri Lt. L.S. Mangal. Scholarship is funded by the management. Need based Freeship is also given to students.

Evidence of Success:
Institute through the scholarship ensures equal opportunity for access to quality education to students without any discrimination. This is evident from the fact that 440 students from different categories amounting to Rs. 3846800 received the scholarship to pursue and realize their future dreams. This is besides the scholarships that students have received from government schemes.

Problems Encountered and Resources Required:
The institute wishes to extend the facility to number of other students, but constraint of funds restricts it reach to every deserving students.

Performance of the Institution in one area distinctive to its priority and thrust

Academic Integration

The institute has well prepared and documented POs and COs in alignment with Institutional vision, mission and affiliating university syllabus. It assesses the need for the courses, important features of curriculum and relevancy to industry needs. Objectives of the course acts as a basis for planning further activities. Accordingly the institute prepares the add on a certification programs to enrich the

curriculum. The institute encourages its faculty and students to participate in workshops, seminars and conferences and promote a holistic teaching learning environment. In order to provide the industry exposure, the institute has entered into functional MoUs and collaborations.

The institute provides ample opportunities to the students from different streams to come together in academic as well as extracurricular activities organized through different committees and clubs. The spirit of team work, discipline, social responsibility towards community development and nation building is inculcated through NCC, Eco Club, etc. The institute contributes towards women empowerment by organizing various activities under the aegis of ICC & NCC. The environmental awareness and sustainability is being promoted by Eco Club and its members. In addition, the Institute facilitates regular interactions to inculcate Human Values and Code of Professional Ethics in them.
