Title: Orientation Programme

Date: Sept. 16, 2021

Venue: Seminar Hall

Department of BCA organized two days Orientation program “Mangaloday”-2021 on Thursday September 16, 2021 & on Friday 17, 2021 to formally welcome the students of BCA batch 2021-24. The purpose of the Orientation program was to introduce the culture of the Institute and the campus to the students and their Parents.

The program was started at 9:30 AM with the registration process of the students at reception. At 11:30, it was followed by the welcoming of all the dignitaries including Shri Ayush Mangal sir, Vice-chairman, Mangalmay group of Institutions, Mr. Abhay N. Tripathi, Head of the Department, Department of Computer Applications, Mr. Arun Rana, Director- Planning & Corporate Affairs, Mr. Amit Srivastava, VP Admission. The event was adorned with the presence of the Chief Guest, **(Dr.) Dinesh K. Vishwakarma, Professor, Delhi Technological University (DTU), Delhi.**

Taking the blessing of Goddess of Knowledge, Ms. Harshita Bhardwaj anchored the event. Shri Ayush Mangal sir addressed the students and enlightened them with the great vision of the Institute. Mr. Arun Rana ensured the students that they have taken the first step towards their successful career by choosing the right college. Mr. Amit Srivastava taught the qualities of a good student & its relevance by saying a Sanskrit shloka. After that, Mr. Abhay N. Tripathi gave the life lesson to the newly admitted students to possess sincerity, discipline and more than everything, the quality of a good human being. He also reminded them about the dreams and sacrifices of their parents.

The event was glorified with the wise words of the Chief Guest of the event, Prof. (Dr.) Dinesh K. Vishwakarma. He drew the attention of the students to learn the emerging technologies to grow more in their future and congratulated them to choose the right path towards their career. The session took rest with the vote of thanks given by Ms. Harshita Bhardwaj to all the dignitaries for their adorable presence. Shri Ayush Mangal, Vice-chairman, MGI honored the chief guest, Prof. Dr. Dinesh K. Vishwakarma with the memento.

The post lunch session was conducted in two parts. The first session after lunch was started with the speech of Dr. Hitesh Saxena, Head-Registrar. He told about the code of conduct and rules and regulation for the students. The students were also introduced with the Mr. Ram Yadav-Head Accountant and Mr. Sandeep Srivastava-Head Librarian for their respective concerns. Then the session aimed to aware the students with the institute’ mission and vision. They were made familiar with the achievements of the Institute. All the faculties, who are going to teach them in all the years, were introduced to the new students. The session third of the first day Induction program was conducted in the seminar hall. In this session, the students became the part of student journey virtually. They witnessed the activities and events through pictures, organized by the department for the skill enhancement in the previous years. They saw the pictures of different activities and were excited to be part of this journey. The new students also met all the toppers of previous batches. They were also introduced with the batch holders in NCC (girls).

The Day 2 was started with the session taken by Mr. Himanshu Rastogi. He enunciated the new students about Future perspective of BCA. He uttered the future scope for them after the completion of BCA course. He motivated the students to work hard in the coming three to be good professional.

The second session of Day 2 was taken by Mr. Harish Bhatia, where he talked about the Entrepreneurship skills. He encouraged the students to come forward the new and innovative idea to the entrepreneur cell. He gave the examples of those entrepreneurs who established their empire by starting with a small but innovative idea.

The post lunch session of day 2 was full of fun with learning for the students as they were made play the communication games by Dr. Arpana Singh and Ms. Nisha Bansal. Many different games were conducted for them as Tongue twisters and Listening activities. The winners were provided with prizes by the faculties.

And finally the program took rest with the valedictory session. Dr. Arpana Singh presented her vote of thanks to all the faculties who took session as well as the efforts of all the faculties to make this event successful. She thanked the admin department for providing all the logistics.
