Content:	<p>According to proposed plan, Department of BCA organized a Two days' workshop on Research Paper Writing from 30 March 2022 to 31 March 2022 in Seminar Hall. The idea behind the workshop was to develop good writing skills in a student. The Main aim of this workshop is to provide the basic knowledge about the writing research paper publications, citation databases. This workshop help the students to understand the process of scientific discovery. A research paper will show two things: what you know or learned about a certain topic, and what other people know about the same topic. Often you make a judgment, or just explain complex ideas to the reader.</p> <p>The event was inaugurated by the esteemed presence of the Chief Guest Mrs. Prerna Mangal, Hon'ble Vice- Chairman Mr. Ayush Mangal, Respected Head of the Department, Mr. Abhay N. Tripathi and Director Corporate Resource and Planning Mr. Arun Rana. The Chief Guest Mrs. Prerna Mangal addressed to students that how research plays a vital role in students' life. She encouraged the department to organize such kind of event.</p> <p>Mr. Abhay N. Tripathi (HOD-BCA) encouraged and appreciated the students for carrying the research with his motivational words. Mr. Abhay N. Tripathi highlighted the importance of research in students' life and writing a research paper gives you a sense of achievement that you have done something all</p>

	<p>by yourself. He also discussed the research dimensions that how you can identify the problem statement. He stated that why literature review is important for carrying the research work. Dr. Kanika was the Event coordinator. Dr. Kanika explained the process of research and discussed research publication steps. She stated that writing a research paper gives you a head start to future scholarly works. The student not only learns the process of research that is selecting a topic, reviewing the literature, collecting data and evaluation of data but it also helps you understand how to find answer of a research question.</p>
