

REPORT

Name of Activity: Workshop on Gender sensitivity at Workplace

Date: 10th February 2022

Venue: Seminar Hall

Organized by: ICC

Name of Recourse Person / Guest: Ms Nisha Chaudhary- Nirbhed Foundation

Participated by: Students of BBA, B.Com

Objective: To sensitize students, both males and females on gender issues in the workplace.

Activity Description: Ms. Nisha Chaudhary started by encouraging students to be respectful to everyone irrespective of gender. She gradually moved the session in such a manner that the students were overt in interacting on the gender issues. She was able to make students realise how unconsciously we become cruel to another gender by using examples and role plays. Finally, she discussed how we can all bring about the necessary change in the workplace simply by being aware of a particular issue.

The outcome of the Activity: Students are now much more aware of gender issues in the workplace. With the awareness of the issue, students will be more sensitive while working with the other gender.
