Report

Name of Activity	Extension Activity on Awareness Programme on World Sustainable Energy Day
Date	March3rd,2023
Organized by	EcoClub, MIMT
Participated By	B.A.B.Ed.I year students
Activity In-charge	Ms.Neha Jindal
Objectives	<p>The objectives of organizing“Awareness Programme on World Sustainable Energy Day” are:</p> <ul style="list-style-type: none">● Equip students with knowledge about sustainable energy sources and their benefits.● Enable students to be come advocates for sustainable energy practices in their communities.● Increase public understanding of the importance of transitioning to sustainable energy solutions.● Encourage individuals to adopt eco-friendly practices in their Daily lives.● Spark interesting exploring and implementing renewable energy solutions within local communities.

Content	<p>The Eco Club at MIMT Greater Noida organized an “Awareness Programme on World Sustainable Energy Day” to promote the importance of sustainable energy sources and encourage eco-friendly practices within local communities.</p> <p>B.A.B.Ed.I year students played a pivotal role by participating in the program and taking the initiative to spread awareness within their local communities with posters made by them. This approach not only amplified the program's reach but also provided valuable experience for the students themselves.</p> <p>The program focused on educating participants about various aspects of sustainable energy, including:</p> <ul style="list-style-type: none">• Renewable energy sources(e.g.,solar,wind,hydro)• Benefits of sustainable energy for the environment• Energy conservation techniques for daily life• The environmental impact of traditional energy sources <p>The program equipped B.A.B.Ed. students with the knowledge and skills to become advocates for sustainability in their future teaching careers. The awareness program aimed to inspire participants to adopt eco-friendly practices in their daily lives, contributing to a more sustainable future.</p> <p>The Eco Club's World Sustainable Energy Day awareness program successfully combined student engagement with community outreach. The program not only educated participants about sustainable energy but also empowered future educators to become leaders in promoting environmental responsibility. This initiative aligns with MIMT's commitment to fostering a culture of sustainability within the institution and the wider community.</p>
