

## **I Best Practice**

### **Title of the Practice:**

Developing the students for the Society and Nation through Extension & Outreach Programs

### **Objectives of the Practice:**

- To sensitize students to identify and address social issues.
- To sensitize the community to social issues and solutions thereof.
- To develop character, discipline, comradeship, secular outlook, ideals of selfless services and adventure spirits amongst large numbers of young citizens.
- To create a pool of trained, organized and motivated youth with various leadership qualities in every walk of their life and serve the Nation irrespective of career they choose.

### **The Context:**

Poor access to health care and hygiene facilities, education and/or livelihood opportunities lead to disparity and result in an underprivileged/vulnerable section of the society. Students may act as a change agent where they can be developed for the betterment of the society. Therefore, it was decided to provide more and more opportunity to students through Extension & Outreach Programs who in turn will further make other people aware and sensitize them for the nation duty.

### **The Practice:**

MIMT organizes a number of extension activities in the institute-neighborhood community to sensitize the students towards community needs. The students actively participate in such activities leading to their overall development. Student Welfare Committee, Fitness Club, UHV Cell and Internal Complaint Committee undertake various activities like:

- Cloth donation drive Samvedna
- "Warmth and Wellness: Blanket, Sweater, and Sanitary Pad Distribution Initiative"
- Scout & Guide Camp
- The Rastriya Ekta Divas (National Unity Day) , Pledge , Rally for unity
- Awareness Programme & Plantation drive on National Pollution Day
- Awareness Drive on "Water Conservation" on the occasion of "World Water Day".
- World Environment Day (Awareness drive through posters and Tree Plantation )
- Constitution Day
- Armed forces Flag day
- World -No Tobacco Day
- Innovation & Entrepreneurship Outreach Program in School
- Earth Day: Tree Plantation drive
- NCC Day Celebration
- Sweater Distribution
- Say No To Plastic
- Awareness Programme on Shram Daan
- Elimination of Violence Against Women
- Computer Literacy Programme
- World Earth Day : Plantation Drive

# Mangalmay Institute of Management Technology

## Greater Noida (U.P.)

- International Literacy day, Stationary Distribution Drive
- Children's Day , Toy donation drive
- World Poverty Day , Clothes Donation Drive
- Awareness Programme on World Sustainable Energy Day

### Evidence of Success:

All these mentioned activities have positive impact on the students and it developed student community relationship, leadership skill and self-confidence of students. It also helped in cultivating hidden personality of students and created awareness among students towards societal issues and solutions thereof. Besides, institute has been awarded 08 participation/recognition certificates.

### Problems Encountered and Resources Required:

Dropout of the students is major problem because of hard training and time boundation and sometimes girls students' parents also didn't allow them to attend the program.

## II Best Practice

### Title of the Practice:

Add On/ Value Added Certification Program

### Objectives of the Practice:

- To identify the gap between industry and academia & strengthen the curriculum prescribed by the affiliating University.
- To provide the technical training which helps them to have a practical exposure
- To provide an opportunity to students to develop inter-disciplinary skills.

### The Context:

Institute being affiliated college follows the curriculum as prescribed by the University. However, the integration of the Add On/ Value Added Certification Program with the curriculum focuses on leveraging the skills of future professionals so as to meet the demands of today's dynamic business environment. Such programs complement student learning and prepare them for the challenges of professional life. These programs give students a more holistic perspective, so that they can better understand current industry demand & challenges and equip themselves with innovative and creative skills through a wide range of course offerings. This requires rigorous efforts by the institute to identify the gap between the curriculum provided by the university and demands of the corporate. Henceforth, identification & execution of add on certification program and their syllabi in capsular form are a big challenge while designing and implementing this practice.

### The Practice:

The institute receives the feedback from the students, faculty, alumni and employer. One of the important features of this feedback is inputs on the Add On/ Value Added Certification Program. The analysis is put up in the Feedback Committee by the HoD comprising of external and internal experts and later on in the

Academic Development Committee and IQAC to finalize and incorporate the Add on Certificate program for the forthcoming session. The Syllabi of Add on Certification Courses which are to be retained or added are presented for the inclusion or deletion of the topics in the courses. Inputs from the subject experts of industry and academia are discussed in length before finalizing them for their execution. Conducting the program, attendance, evaluation and awarding of certificates are as per the defined policy on Add on/ Value Added Certification Programs. In the academic year 2022-23, following add on certification programs have been offered:
