

<b>Activity Report</b>	
<b>Academic Year</b>	<b>2022 - 2023</b>
<b>Name of Activity</b>	<b>National Science Day Celebration</b>
<b>Date of Activity</b>	<b>28/02/2023</b>
<b>Organized by</b>	<b>Mangalmay Institute of Management and Technology, Greater Noida</b>
<b>Resource Person</b>	<b>Mr. S.K. Mahajan ( Senior Scientist CSIR CEERI, Pilani)</b>
<b>Objective</b>	<ul style="list-style-type: none"><li>❖ To spread awareness about the contribution of C.V. Raman, an Indian physicist, in discovering the Raman Effect on 28th February 1928.</li><li>❖ National Science Day's primary objective is to ignite an interest in science, inspire people, especially students, to perform new experiments, and make them aware of the latest developments in science and technology</li><li>❖ The motive of the year's theme is to encourage talented Indian minds to come out from silos working culture and take part in theme-based projects.</li></ul>
<b>Brief Report</b>	<p>Ever since 1987, our country has been celebrating the National Science Day on 28th February to commemorate the discovery of the 'Raman Effect' by one of the renowned Physicist of India- Sir CV Raman. This year, the theme was 'Integrated Approach in Science and Technology for Sustainable Future'. As a part of its enterprise to conduct a wide range of extra-curricular programs and activities to sensitize the students on social, cultural and ethical issues, <b>Mangalmay Institute of Management and Technology, Greater Noida</b> has organized the Expert talk on National Science Day on 28 Feb.2023. Our chief Guest <b>Mr. S.K.Mahajan(Senior Scientist CSIR CEERI, Pilani)</b> share their views and experience with our faculty members and students. He highlighted on how the generation of new ideas is possible through the organization and celebration of such events. More than 150 participants from all over attended this expert talk.</p>
<b>Outcome</b>	<ul style="list-style-type: none"><li>● By the end of the event, students were aware of the National Science Day and to ignite an interest in science, inspire people, especially students, to</li></ul>

	<p>perform new experiments, and make them aware of the latest developments in science and technology.</p> <ul style="list-style-type: none"><li>• The students learn about the 'Raman Effect' by one of the renowned Physicist of India- Sir CV Raman.</li></ul>
