Participated By	36 Students of B.A.B.Ed. II year
Activity In-charge	Mr. Somendra Sharma,Ms. Neha Jindal
Objectives	<p>The objectives are:</p> <ul style="list-style-type: none">● Educate the Community about the harmful effects of plastic pollution.● Promote eco-friendly alternatives to single-use plastics.● Inspire individuals to reduce their plastic consumption. .● Support policies for reducing and recycling plastic waste.● In still responsibility for a cleaner environment for future generations.
Content	<p>On the 25th of May 2023, an Awareness Programme "Say No To Plastic" on International Plastic Free Day was organized by the ECO Club at MIMT in Tugalpur, Greater Noida. The event aimed to engage students in practical initiatives, starting with a paper bag making workshop where students learned to create reusable paper bags using eco-friendly materials. Equipped with these bags, a group of enthusiastic students and teachers went to the Tugalpur locality to raise awareness among local shopkeepers and residents about the harmful effects of plastic pollution. During the drive, students distributed the paper bags they had crafted, explaining the benefits of using them over plastic bags and encouraging a switch to eco-friendly packaging. The enthusiastic participation of BA.B.Ed. II year students was particularly notable, highlighting their commitment to environmental causes.The success of this event reaffirms the institute' sandits clubs' commitment to promoting Sustainability and environmental awareness in the community.</p>

		<p>The activity was coordinated by Mr.Somendra Sharma and Ms. Neha Jindal. It was well planned and executed, show casing the dedication and leadership of the institute's administration and faculty members.</p>
Outcome Activity	of	<p>The outcomes are:</p> <ul style="list-style-type: none">● In creased awareness about plastic pollution's negative impacts.● Behavioral changes towards reducing plastic consumption.● Reduction in single-use plastic usage.● Enhanced community engagement in sustainability efforts.● Contribution to advocacy for stricter plastic regulations.● Positive environmental impact with reduced plastic pollution.
