

| <b>Report</b>       |   |
|---------------------|---|
| Name of Activity    | SPORTIKON2023   |
| Date                | 6-9 <sup>th</sup> , April,2023  |
| Venue               | BENNETT University  |
| Participants        | 415 BBA, B.Com,   |
| Activity Cordinator | Mr. Vishal Mavi , Sports Faculty, MIMT  |
| Objectives          | The objective of the inter-college tournament Sportikon is to promote sportsmanship, teamwork, and healthy competition among college students. It aims to provide a platform for students to showcase their athletic abilities, foster camaraderie between different colleges, and encourage active participation in sports.  |
| Content             | The Mangalmai Institute of Management and Technology (MIMT) actively engaged in a thrilling volleyball competition, showcasing their prowess and sportsmanship during two intense matches held on April 6th and 9th, 2023. The spirited matches unfolded against formidable opponents, Bennett Junior and Graphic Era Haldwani, where MIMT's team exhibited exceptional skill and determination on the court. The first match against Bennett Junior was a riveting display of agility and strategy, with both teams delivering remarkable performances. Despite the challenging nature of the game, MIMT displayed commendable teamwork and resilience, securing a hard-fought victory. The subsequent match against Graphic Era Haldwani proved equally gripping, with intense rallies and moments of extraordinary athleticism from both sides. Though MIMT's team displayed commendable efforts and strategic plays, the match concluded in a closely contested defeat. Nevertheless, the sportsmanship and dedication showcased by MIMT's team throughout the competition were truly commendable, reflecting their commitment to athletic excellence and camaraderie. The matches served as a platform not only for fierce competition but also for fostering a spirit of sportsmanship and unity among the participating institutions, further reinforcing the importance of sports in education and character development at Mangalmai Institute of Management and Technology. |
| Outcome of Activity | The event reinforced the institution's commitment to holistic development, promoting sportsmanship, teamwork, and personal growth among the participating students, emphasizing the significance of sports alongside academics. Students at the Mangalmai Institute of Management and Technology were encouraged to demonstrate their sports ability.   |
