Objective:	<ul style="list-style-type: none">• The aim of the session was to understand about the how to Improve Active Listening Skills• To enable the students to know the Importance of Active Listening in Life.
Content	<p>Training and Placement Committee at Mangalmai Institute of Management Technology organized a Workshop on Active Listening for the students of BCA. It was organized in Classroom of the Institute. The workshop started with the welcome of Mr. Abhay Narayan Tripathi and the Coordinator, Mr. Krishan Kumar. In his opening remark Mr. Abhay shared his views on the importance of Active Listening. Later, Speaker of the program DrAnjuTripathi shared some of the tenets of active listening required while setting right communication in professional environment. DrTripathi also answered and clarified many questions which were put across by the participants.</p> <p>Dr. Tripathi emphasized the need of using the right chord with one's audience while speaking out. Success is critical to one's listening more than speaking. The session was much interactive and deeply required.</p>
Outcome of Activity:	Students learned about the importance of active listening in communication.
