Objectives:	<ul style="list-style-type: none">• To understand proper cyber hygiene, the security risks associated with user actions and to identify cyber-attacks user may encounter via email and the web.• To focus attention on security, creating sensitivity to the threats and vulnerabilities of computer systems and recognition of the need to protect data, information and systems.
Content:	<p>IT Club Mangalmai Institute of Management and Technology, Greater Noida organized an awareness program on Cyber Security for BCA students on 16-17th Nov, 2022.</p> <p>The program was begun at 10:00 am on 16th Nov. 22 with the welcome of our speaker Mr. Rahul Mishra, Cyber Security Advisor, U.P. Police with Tulsi Sapling by Mr. Harish Bhatia (Dean of Student welfare) & Dr. Himanshu. Mr. Rahul Mishra shared his experience on Cyber-crimes that he handled. He also told us how to save ourselves from different types of cyber-attacks.</p> <p>The Day 2 was begun with the session of different types of hackings. This session aimed to exchange experiences and expertise on cyber security by discussing different awareness campaign projects, materials and toolkits. The speaker Mr. Rahul Mishra, discussed challenges, best practices and lessons learned from the perspective of their respective region and/or organization, including those specifically related to current COVID-19 developments. He also discussed about windows hacking, website hacking and different preventions measures that helps us to protect from cyber-attacks.</p> <p>The session ended with Q&A's and a brief discussion between speaker and participants. The whole event was successfully coordinated and everybody appreciated the efforts of Department of Computer Application.</p>

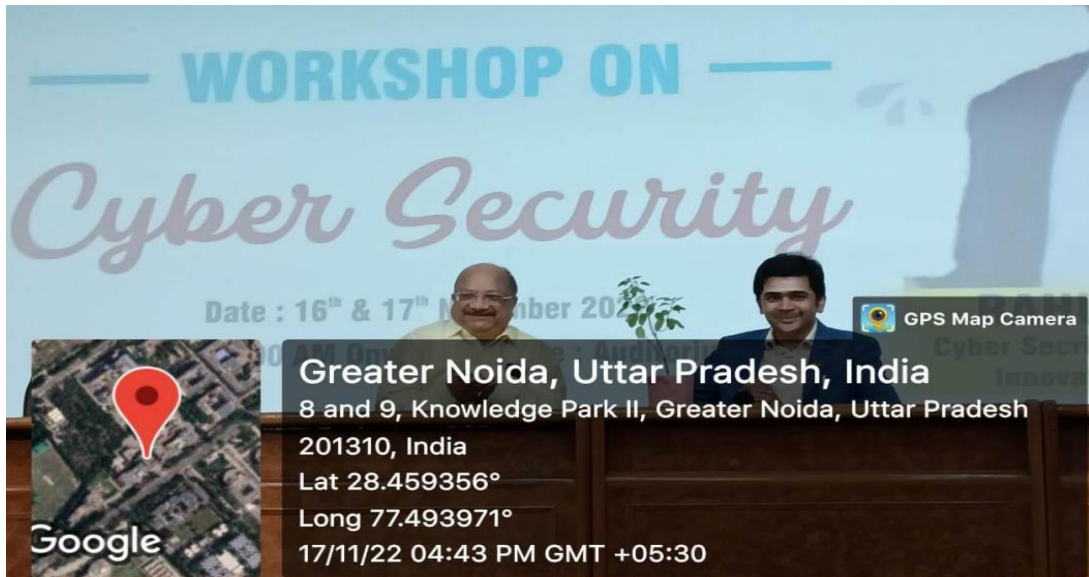

Outcome of Activity:	<ul style="list-style-type: none">• Students are able to analyze and resolve security issues in networks and computer systems to secure an IT infrastructure.• Students are able to analyze the nature of attacks through cyber/computer forensics software/tools.
