Content	<p>On the occasion of “National Startup Day”, Department of Computer Applications organized a session for the BCA students on Monday, January 16, 2023. The objective of this activity was to introduce and motivate department students for startups. On this occasion Mohd. Kashif Ali, was appreciated by Mr. Abhay N Tripathi & Dr. Himanshu Rastogi, for running his own startup company “Jewel Spot Pitch Deck”, based on Ecommerce website and collaborated with foreign countries. During the session he shared his experiences with the students about how he has started his company, his planning, execution, interaction with foreign delegates. Session was ended with the queries asked by the students.</p> <p>The strength of the students was 89. Vote of thanks was given by the respected Mr. Abhay N. Tripathi, Head of the Department.</p>
Outcome of Activity	Students got insight about how startup are being created, which in they can fuel up their vision in not only creating employment for themselves but for others.
