Report	
Name of Activity	“Plantation Drive ”
Date	21 st April 2023
Organized by	Eco Club, MIMT
Participated By	36 Students of B.A.B.Ed. 2 nd Year
Activity In-charge	Mr. Somendra Sharma & Ms. Neha Jindal.
Objectives	<p>The objectives of organizing the “Plantation Drive ” are:</p> <ul style="list-style-type: none">• One of the primary objectives of organizing the event is to raise awareness about environmental issues, emphasizing the importance of sustainable practices among participants.• The event aims to foster a sense of community and shared responsibility among participants, encouraging them to actively engage in activities that contribute to the betterment of their surroundings.• By organizing the event, there is a goal to instill a sense of responsibility in participants towards maintaining a healthy environment, both on a personal level and as part of the broader community.• To promote and encourage the adoption of sustainable practices. This may include the incorporation of eco-friendly habits into daily routines.• The event provides an opportunity for participants to work together, fostering team spirit and collaboration.• Trees represent life, growth, peace, and nature. They produce oxygen, clean soil, prevent drought, control flood-related disasters, prevent soil erosion, improve physiological, mental, and spiritual health, and also reduce carbon footprints.

<p>Content</p>	<p>On the 21st of April 2023, the Eco Club at Surajpur organized a commendable initiative named “Plantation Drive ” The event saw active participation from Students of B.A.B.Ed. 2nd Year. students, who contributed their efforts from the comfort of their homes.</p> <p>Students enthusiastically took part in this activity. The event emphasized the importance of individual contributions of maintaining a green environment.</p> <p>The impact of Plantation Drive extended beyond the immediate surroundings of the participants. The collective efforts made by the students resulted in healthy living spaces, fostering a culture of environments that extends beyond the confines of MIMT.</p>
<p>Outcome of Activity</p>	<p>The outcomes of the “Plantation Drive ” were:</p> <ul style="list-style-type: none">• Participants contribute to improved environmental conditions in their respective areas, creating cleaner and more sustainable living spaces.• Participants gain a deeper understanding of environmental issues and the significance of individual actions. The event's educational component enhances participants' knowledge about the impact on the environment.• The event empowers the community by fostering a shared sense of responsibility. Participants feel a stronger connection to their community and Eco Club engine their role in creating positive changes, leading to a more engaged and proactive local population.• A notable outcome is the increased adoption of sustainable habits among participants. The event catalyzes long-term behavior change, encouraging individuals to integrate Eco-friendly practices into their daily lives beyond the event's duration. <p>“Plantation Drive” organized by the Eco club at Surajpur on 21st April showcased the dedication of students towards creating a cleaner and healthier environment. The event successfully blended virtual participation with meaningful on-the-ground actions, reflecting the commitment of MIMT's students to contribute positively to society.</p>
