Content:	<p>A Plantation Drive is being organized by Eco Club on “<b>World Environment Day</b>” on Monday, June 05, 2023 to encourage the students for plantation and take care of environment. This plantation drive was conducted in MIMT Campus. The whole event was organized from 02:30 PM to 3:30 PM and coordinated by Mr. Ravi Bhushan, Assistant Professor, Computer Applications, MIMT.</p> <p>Mr. Abhay N. Tripathi was the convener for this event. The objective behind this plantation drive was to motivate the students for the protection of the environment. Plantation Drive is an important tool in the fight against climate change and conservation of the natural resources. By Planting more trees, we can help to create a more sustainable and resilient future for ourselves and future generation. Additionally, its benefits are manifold from environment to health and from economic to social.</p> <p>At the end of the event Mr Ravi Bhushan, event coordinator gave the vote of thanks to HOD Sir, all faculty members and students for their contribution in this event.</p>
Outcome of Activity:	<ul style="list-style-type: none"><li>• Students get aware about how to protect the environment and live healthy.</li></ul>
