

Report

Name of Activity	Plantation Drive on “World Environment Day”
Date	5th June, 2023(Monday)
Venue	Herbal Park, MIMT
Organized by	School of Education, MIMT
Activity In-charge	MsNishatAnjum
Objectives	<p>The objectives of organizing Plantation Drive on “World Environment Day” are:</p> <ul style="list-style-type: none">To reduce the surface run-off discharge and checking soil erosion along the embankments.To create awareness and encourage efforts to protect the environment.To plant more trees and respect Mother Nature in the process.To enhance the tree cover on the campus and to sensitize the students towards importance of trees.To conserve biodiversity, and improve the overall quality of life .
Content	<p>"Plant a tree, Plant a hope for future"</p> <p>The “World Environment Day” is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet. Keeping this aim in view, School of Education, MIMT celebrated World Environment Day on 5th of June 2023.</p> <p>The program started at 12 pm. The program was inaugurated by planting the sapling by MsPernaMangal(Executive Director,MIMT). Dr. Pramod Madheshia (Principal,School of Education) and Dr. Bhavna Joshi (HOD,School of Education)were also present there. The gathering was addressed by Executive director ma'am. She said that we are seeking to expand the work of plantation and other social activities, it is just abeginning. Through her speech she congratulated</p>

	<p>all the students, faculties and staff ofMIMT who gathered for this noble cause. The students were given one sapling, which was tobe planted all around the campus.</p> <p>An Environmental Awareness Quiz was also organised with the objective to assess the knowledge on various environmental topics,learn new information and contribute to the promotion of environmental consciousness.Students and faculty members have participated with full energy in this program.</p>
Outcome of Activity	<p>of The outcomes of Plantation Drive on “World Environment Day” were:</p> <ul style="list-style-type: none">• Students created awareness and promoted sustainable and safer environment by inculcating love for nature.• They were encouraged to stop blaming others for all the problems but rather took initiative and came together as concerned citizen and as one team.• They made their small yet significant contribution towards Mother Nature by each one planting a sapling as a token of love and gratitude towards their mother nature.• They promoted a greener ecosystem along with providing a pollution-free atmosphere. <p>68 students participated in PlantationDriveon “World Environment Day”. The plantation of the trees was successfully carried out as per the planned schedule. Many plant saplings of different types and sizes were planted during the plantation drive.</p>
