| Overview | <p>Mangalmai Institute of Management & Technology, in association with Centre for Digital Future, Annenberg School of University of Southern California, Global Economic Forum organized THINKER'S CONCLAVE (AN INITIATIVE FROM G20) – INDIA NEW SILK ROAD BASED ON GDKP INDIA. The conclave was graced by number of experts from Industry, Academia & Professionals who throw light on various aspects of</p> |

GDKP, GDP, KI, CKPM, CKUM. The programme starts with the welcome address of Executive Director of MIMT Ms. Prerna Mangal who greet all the domestic & foreign guests. Rolling the ball of the conclave was **Dr. Manju Gupta, Director Strategic Management, Mangalmai Group of Institutions** who sprinkle her views on - **The Road map of India New Silk Road based on GDKP India & Special Emphasis on IS- GDKP and NDM – GDKP.**

Opening Presentation was given by **Dr. Hari Krishna Maram**, Chairman Vision Digital CEO-GDKP India Initiative to CEO - GDKP India. His valuable insights on GDKP were the eye opener to all the attendees and he exclusively presented his understandings on his project of India full Digital literacy. He elaborated that India has been the hub of knowledge for the rest of the world, be it knowledge of outside or inside, the worldly knowledge or the knowledge of self, Atman. We have shown light to the world on how the life should be lived and how the balance in life should be achieved. The birth of GDKP and the new vision of National Wealth and Health based on GDKP INDIA, was closely described by **Prof. Umberto Sulpasso**. **Dr. Parin Somani**, added that after the independence, the country has started the process of building up and has again taken leadership in many areas and disciplines. This is especially notable in the area of Statistics, IT sector and now working relentlessly on k factor of GDKP. **Ambassador K.P. Fabian**, supplemented that to develop understanding the role 'Knowledge' plays in development of societies is unmatched, its key ingredients and also how this can be measured and used for policy making.

In the second half of the conclave a panel discussion on **GDKP India: A new National Economic Measure for the Digital Age** was initiated by **Dr. Ritesh Saxena**- Coordinator of MBA programme in which **Dr. Hari Krishna Maram** acted as a moderator in which number of panellists express their views on GDP / GDKP/Digital promotion, advantages, pitfalls, perspective measure etc. The discussion was concluded by the panel adding that growth in GDKP can be taken as predictor of GDP and through digitalization India can become a knowledge Bomb all over the globe.

More than 100 students & all the faculty members were benefitted by the Thinker's Conclave. All the experts were honoured by the Chairman/Vice Chairman/Executive Director of MIMT with a memento to appreciate their untiring efforts. Vote of Thanks was proposed by Dr. Meenakshi Sharma- Associate Dean, MIMT.
