Objectives	To commemorate the freedom of our country. And to pay tribute to all the leaders who have sacrificed their lives to get our motherland free from British rule. The aim of this event was to create awareness, promote empathy, and ensure that such a tragedy is never forgotten and commemorating one of the most devastating episodes in the history of the Indian subcontinent.
Content	Mangalmay group of institutions in collaboration with EBSB & Cultural club and sister concern organized Independence Day and Partition Horror Remembrance Day. The Independence Day celebration at Mangalmay Group of Colleges, held under the theme "Meri Mitti Mera Desh," was a resounding tribute to our nation's rich heritage. In the past, students, faculty, and staff gathered to commemorate the 77th Independence Day, fostering a sense of unity and patriotism. The event resonated with the essence of the theme,

	<p>highlighting the deep-rooted connection between our soil and our country's identity. Through cultural performances, speeches, and exhibits, the occasion vividly portrayed the struggles and triumphs of our nation's journey. This celebration not only honored the sacrifices of our freedom fighters but also instilled a renewed commitment to upholding the values of equality, liberty, and fraternity that the tricolor represents. The partition of India and Pakistan in 1947 remains one of the most tragic and heart-wrenching chapters in human history. This event resulted in widespread violence, displacement, and loss of life, leaving scars that continue to affect generations to this day. To remember and honour the victims of this tragic episode, Mangalmay Group of Institutions organized a special event titled "Observing the Horrors of the India-Pakistan Partition." The aim of this event was to create awareness, promote empathy, and ensure that such a tragedy is never forgotten and commemorating one of the most devastating episodes in the history of the Indian subcontinent. This event, held on 14th, August, 2023, encapsulated a solemn mission to ensure that the memories of the partition remain alive, fostering empathy, understanding, and a commitment to unity among all who participated. Through a carefully curated program, the event sought to not only shed light on the harrowing experiences of those who lived through the partition but also to emphasize the importance of learning from history to forge a more harmonious future</p>
Outcome of Activity	<p>Independence Day, observed on August 15th in India, commemorates the nation's hard-fought liberation from British colonial rule in 1947. This significant day is marked by the Prime Minister's flag hoisting at the Red Fort in New Delhi, accompanied by speeches, cultural displays, and parades across the country. In contrast, August 17th is not widely recognized as a national holiday, but some communities and groups use it as Partition Horror Remembrance Day to remember the tragic events and immense human suffering that transpired during the partition of India in 1947, reflecting upon the harrowing consequences of that period's communal violence and displacement.</p>
