REPORT	
Name of activity	Poster-Making Competition on account of World Earth Day 2023
Theme	“INVEST IN OUR PLANET”
Date of Activity	21 st April, 2023
Convener	Dr. Meenakshi Sharma
Beneficiaries	BBA students
Venue	Classroom
Time	12:00 PM Onwards
Co-ordinator	Mr. Vibhanshu
Objective	<ul style="list-style-type: none">• To raise awareness among students to protect the Earth’s natural resources and protect environment.• To promote sustainability in environment in order to meet the needs of future generations.
Overview	<p>Institution’s Innovation Council (IIC) in collaboration with Eco Club of MIMT organised the “Poster-Making Competition” to celebrate the occasion of World Earth Day 2023 which is observed on 22nd April every year. Likewise of the previous year, the students of MIMT promoted the concept of environment protection and conservation through their posters. With the aim of promoting Government of India’s theme “INVEST IN OUR PLANET”, the students also reflected the same ideology in their posters. All the necessary details about activity were shared to the students well in advance. A highlight of creativity was shown in various posters made by the students. Some of them has promoted the idea of pollution free-environment while some has taken the issues of conservation of resources, sustainability development and optimizing the use of natural resources through their posters. At the end of activity the posters of students were judged on the parameters of creativity, highlighting of theme and relevance bringing out in the posters. Among all the different sketches, the top three sketches were selected for prize distribution. Certificate of Participation were given to all the students.</p>
Outcome	<ul style="list-style-type: none">• The importance of environmental protection was highlighted through the posters.• Students learned about the conservation and protection of earth resources.
